Veritas Dance Company Camp

This is a mandatory two week dance camp for those students who are members of The Veritas Dance Company 1 or 2. Please read the times carefully. Times are different for each group.

This is a two week fee, See notes below:

Morning Veritas 1 9:00 AM -12:00 PM (8:30AM drop-off)	\$450.00 <i>This is a two-week fee</i>
Afternoon Veritas 2 12:30 PM - 3:30 PM (12 Noon drop-off)	\$450.00 <i>This is a two-week fee</i>

***Notes:** This camp is scheduled for the two weeks prior to the beginning of school. (Although this camp has not been held in this regular time slot during the pandemic, it is best to return to this slot so that the company members retain the most choreography.) This summer Veritas 1 and 2 will meet for an hour longer each day, This accounts for the increase in tuition. (Vtas members decided that 2 hours is not enough time for what we would like to accomplish.)

If VTAS members cannot make these rehearsals alternate arrangements must be made.

Camp Descriptions

Ballet Stories Camp (Ages 3-5)

Based on the real stories behind the most famous classical ballets, (Swan Lake, Giselle, Coppelia and more) the students will read, dance, act out, and learn some of the real steps/arm movements of the most famous ballets ever performed.

Ballet & Ballet Stories Camp (Ages 6-8, Ages 9-11)

Same description as above but geared toward older students, including more ballet technique and exercises and diving deeper into the stories.

Lyrical/Contemporary Camp (Ages 7-9, Ages 10+)

Lyrical/ Contemporary are ballet and jazz-based dance forms. Lyrical is a dance form performed to music that has lyrics or a strong emotional content, and dancers will focus on expressing emotions through movement. Dancers will be practicing and getting more comfortable with improvisation and prompt-driven dancing, using prompts such as emotions, elements, colors, weather, etc, sometimes with props. Dancers will practice moving fluidly throughout different levels. (i.e. floor work.) Contemporary is an experimental dance form in which dancers get to move freely and discover new ways of moving. Maddie teaches this class and her motto is "there is no wrong movement when practicing improvisation!" It is a fun way to gain more confidence and love for the art of dance!

Let's Make a Play Musical Theater Camp (Ages 8+)

This intensive will explore how you can tap into your own creative energies to bring movement, character and story together. Students will create their own characters, scripts and props for the musical. We will also use improv games, acting exercises and tableau work to create a theatrical environment and a world where imagination can be free and fluid. **Culminating in a Friday afternoon performance!**

Tap/Hip Hop Camp (Ages 6-8, Ages 9-11)

In this camp students will take part in Tap and Hip Hop classes with an emphasis on technique, learning combinations, and of course having fun! Campers will also take part in age appropriate dance themed activities, games, and fun challenges.

Hip Hop/Jazz Camp (Ages 4-6, Ages 7-9)

In this camp students will take part in Hip Hop and Jazz classes with an emphasis on technique, learning combinations, and of course having fun! Campers will also take part in age appropriate dance themed activities, games, and fun challenges.

Aerial Silks Camp (Ages 9+)

In Aerial Silks Camp, campers will learn the foundations of climbing, wrist keys and foot keys, and more advanced students will focus on more complex combinations and skills. All students will get to experience putting together short aerial silks combinations to music with theatricality and fluidity.

Because of the nature of the technique, the instructor will cater material according to each student's level & ability to ensure a safe and fun learning experience.

Ballet Camp (Ages 3-7 / Little Dreamers & Ballet 1, Ages 11-13 / levels 4 & 5)

In this camp students will take part in Ballet classes with an emphasis on technique, learning combinations, and of course having fun! Campers will also take part in age appropriate dance themed activities, games, and fun challenges. Some activities we have done in the past include painting pointe shoes, watching famous dance films, and coordination-based obstacle courses!

Pointe Camp (Ages 12+)

instructor permission required

This camp focuses on building strength, technique, and fluidity dancing on pointe. This camp requires instructor permission to ensure the health and safety of the dancers. Factors considered will include: anatomy (bone structure in feet and legs), ankle strength, leg strength, core strength, age (to help in determining bone calcification), and attitude of the student. These factors must be considered very seriously to prevent injury to the dancer.

Ballet with Pointe Camp (Ages 12+)

instructor permission required

Same description as above but with added ballet technique at the beginning of class without pointe shoes.

Company Class Camp with Susan

This camp is designed for intermediate to advanced students who would like to grow their ballet technique. Each day will consist of a long form ballet class modeled after professional ballet companies' daily classes. This format is designed to help push students to learn more complex combinations, come out of their comfort zone, and get a feel for the collective support of a company atmosphere. Recognizing that ballet students are not adult professionals, Susan consciously fosters a very supportive and light-hearted atmosphere for this camp to lift students up, celebrate small victories, and instill the joy of dancing with their peers.

Ballet Repertory with Susan

Students will learn traditional ballet variations, with age appropriate accommodations, in preparation for performance and competitions.

Ellové Technique Classes

The *Ellové Technique*® is a conditioning and cross-training class taught by certified *dance* specialists and educators. Instructor Laura Haney will be guiding 2 sessions of ellové classes, each consisting of 3 classes over the period of 3 weeks. The first section taking place on Mondays July 12, 19 & 26 and the second on Wednesdays August 2, 9 & 16.
